		MANUAL OF ENVIRONMENTAL HEALTH PROCEDURES			
Section	Drinking Water	Date	December 10, 2008	Procedure #	DW-30
Subject	Water Well Drillers Certification Testing			Page	1 of 1

To assure equal opportunity for all applicants, the following policy is established regarding Water Well Drillers Certification Testing:

- All water well drillers must pass an oral or written examination administered by personnel of the West Virginia Bureau for Public Health.
- An applicant who has failed an examination must wait thirty (30) days before again taking examination.
