Re: Certificate of HACCP Compliance

Dear Mr. Lasaw:

This letter is to assure you that the following seafood products sold to your company from Nishimoto Trading Co., Ltd. have been produced in a facility under a competent HACCP and sanitary program in accordance with the US FDA's seafood HACCP regulation 21 CFR 123:

<u>Our Item No.</u>	<u>Description</u>
89688	Tuna Grand for AFC
91112	Tuna 'AA' for AFC
88586	Octopus Cooked 5P
88642	Alba Core Loin 11 LB.
89064	Masago Natural Color
89590	Uzushio Ika "A" 14-1
89737	Tobiko Orange
89738	Tobiko Red
89739	Tobiko Black
89800	Tobiko Green
92501	Kani Kamaboko Osaki

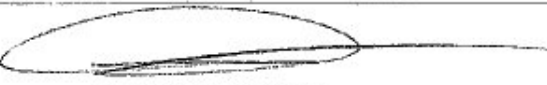

Fish (and other  
foods) used for  
sushi

It should be noted that our frozen seafood is stored at -- 4 degrees F or lower, for more than seven days before distribution.

Please feel free to contact us if you have any questions.

Sincerely,

Statement that says that the  
fish has been properly frozen.

  
KENGO SAWADA  
Sales Manager

Revised 4/26/2016

**Note: You must have a Letter of Guarantee for every supplier that you buy sushi fish from.\***

\*Certain species of tuna and farm raised fish, as defined in 3-402.11(B) of the FDA Food Code are exempt from this requirement.
