

		West Virginia Department of Health and Human Resources			
		MANUAL OF ENVIRONMENTAL HEALTH PROCEDURES			
Section	Food	Date	July 15, 2011	Procedure #	F-12
Subject	Memorandum of Understanding Between the Department of Agriculture and Bureau for Public Health			Page	1 of 1

Attached is a copy of a Memorandum Of Understanding (MOU) between the WV Department of Agriculture and the WV Department of Health and Human Resources' Bureau for Public Health. This MOU, effective June 6, 2011, covers the food and milk programs and establishes the two agencies' respective responsibilities for:

Shell Eggs	Food Labeling
Non-Traditional Agriculture	Dairy Product Sampling
Frozen Desserts &	Retail Food Establishments
Imitation Frozen Desserts	Dairy Plant & Farm Inspections
Small Food Processors	Meetings

The Public Health Sanitation Division staff is responsible for inspecting and approving small food processors. Please refer questions regarding small food processors or the MOU to Linda Whaley, Food Safety Program Manager, at the Public Health Sanitation Division.
